2023-2024 Season

The CPFSC Board of Directors and coaches are excited and ready to begin our 28th Season. Currently there are no COVID 19 mask mandates in place however, we will continue to adhere to the CPSC, CDC and VDH recommendations and as a result requirements may change. If you or your child are exhibiting any signs of illness or COVID type symptoms, please be respectful of others and stay home. If for any reason our season is cut short or put on hold due to COVID restrictions, upon request, a partial refund will be provided on a pro-rated basis. The calculation for the partial refund will be based on the number of skating days scheduled per session beginning October 3, 2023.

Our objective is to ensure your children work hard, gain confidence, increase their skills and most importantly, have fun! Beginning October thru December, students will work on skills established by the USFSA Learn to Skate/Basic Skills curriculum in a group class structure where they are categorized not by age, rather based upon their individual skill level. Throughout the season, students will be tested, and if passed, be awarded badges for the skills accomplished and may progress to the next coaching level, when deemed capable and ready.

No parents/guardians are to be on the ice at any time.

Each class will begin with a 10-minute warm up, followed by a 30–40-minute instructional skills class, and the duration being free skate fun time. Depending upon the group's skill level, the instructional times may differ. The structure of the classes will change in January. At this time, groups will begin practicing a routine, that they'll perform at the **end of the season show scheduled for Sunday, February 25, 2024, at 2:00PM**. Please note, your child may have a show practice on a day and time other than their regular Tuesday or Saturday. **If you have questions, please don't hesitate to contact me.**

We encourage all skaters to attend public skating opportunities that exist within your communities. Extra skating time will build stronger skills!

Registration is now open, with limited space available on each day. Please note, some days and times may vary during the season.

As a member of the CPFSC you will receive a USFSA membership card with a member number. Be sure to log onto www.usfsa.org to create a profile and access exciting information. CPFSC merchandise will be available for purchase via a website that will be available soon. Watch your emails for notifications.

Please complete **all** the enclosed enrollment forms, **one per member**, checks are to be made payable to **Collins Perley Figure Skating**. Please **do not make checks payable to Collins Perley Sports Center or SASA**.

Skates with picks are recommended for skaters and should be sharpened prior to first use and approx. every fourth skate thereafter. Coach Erin Woolridge and her husband Dereck are fully trained and equipped to provide sharpening. Cost is \$10.00 please contact them directly at 393-8054 or info@figure8shapening.com.

WHAT TO WEAR?

- Appropriate hockey helmets or the HALO are recommended and encouraged for all participants.
- Mittens or gloves
- Jogging pants or leggings NO JEANS.
- Footed skating tights are available for purchase at Warner's 495 Swanton Rd, St. Albans and Kevin Smith Sport's Connection in So. Burlington.

As a reminder, CP Figure Skating Club is a non-profit organization, no board members or coaches receive stipends, everyone is a volunteer. Coaches are needed for this season. If you have the skill and time, then your community needs you!

If you're interested in joining our show committee, we're specifically in need of a Show Manager. This responsibility will include facilitating our advertising, ticket committees, etc. Please contact Rhonda to discuss this opportunity and incentive. 😊
